The next time you're in the mood to watch a nice family movie but also want to watch something that will hold your attention try turning on a Disney movie. Now I'm fully aware that these movies aren't captivating, but Disney has hidden images all throughout their movies for those willing to look hard enough.

Here are just a few hidden objects you should look for the next time your little sibling is begging to watch their favorite movie for the 5th time that day.

1. In the Toy Story 3 movie, Andy has a postcard from Carl and Ellie, the two main characters in Up, is pinned to the board in his room.

2. In Cars 3, one of the cars dreams of his hometown Santa Cecilia, which is where Coco grows up.

3. In 101 Dalmatians, there were several dogs from Lady and the Tramp appeared in the "Twilight Bark" scene.
